Due to the increasing number of online reservations from Guests who simply do not show up, we are unfortunately forced to ask you to pay 10% of the amount when booking. This can be done via the payment link on the confirmation or via bank transfer.

You now also have the option to select the cancellation fund when booking. With the cancellation fund you will receive 100% of the paid reservation costs back into your bank account in the event of cancellation.

You can pay the rest of the costs of your stay at the campsite. This can be done in cash or with your debit/credit card. You may do this upon arrival, or if you do not yet know when you will leave again due to the weather or other circumstances, for example, upon departure.

If you would like to pay for your stay in advance by bank, this is of course no problem. We only kindly request that you pay this at least 5 working days before arrival so that we can process your (foreign) payment in time for your arrival.

We reserve the right to cancel your reservation if no deposit has been paid within the specified period
